

How good the good God is

Brightly, with all the enthusiasm
of the Smiling Saint!

CAPO 3 for chords in brackets

♩ = 130

Refrain: How good the good God is who sets out the road be-fore us

which we must brave-ly walk a-long!

For what God asks of us He gives us the means to do it!

How good, how good the good God is!

v.1 What e-ver way the good God comes to us,
v.2 The good-God calls on us to sow the seed,
v.3 We draw ad-van-tage from the trials we face,

He must find in our hearts a wel-come there!
and finds a way to make the seed bear fruit!
and find in prayer the strength to car-ry on!

Bridge:

3 times How good the good God is! (Ah, qu'il est bon, le bon Dieu!)

How good the good God is!

To refrain
